

## CERTIFICATE IN WEB DESIGNING

Course Duration : 6 Months

Class Timing : 2 Hrs. (Monday to Friday)

Mode: offline

Fees: 25000/-

Our Graphic Design course offers a comprehensive curriculum that combines creativity with technical skills. Students will explore various design principles, software tools, and industry trends to create visually compelling content. Through hands-on projects and real-world applications, participants will develop a strong portfolio that showcases their unique style and expertise, preparing them for successful careers in the dynamic field of graphic design.
